Color-Coded Signage System

Use this new signage system with other information, such as the online inspection results, to make healthy and safe choices about where to eat, play, live and work in the City of Columbus.

Green: All standard inspections have been conducted and the business has met the standards of Columbus Public Health.

Yellow: All businesses that are in the enforcement process due to uncorrected critical violations found during follow-up inspections.

Red: All businesses that the Board of Health has ordered closed or when a facility is on probation & has uncorrected critical violations during inspection.

White: All businesses that are on probation by the Columbus Board of Health.

Healthier, Safer People Honor Award: Certificate awarded annually to licensed businesses that have an exemplary health and safety record with Columbus Public Health for 1 calendar year of inspections.
